

# breezesta™

For Every Season of Your Life

2020 Furniture Collection

#### durable

Breezesta poly has the look and feel of authentic wood, but unlike wood, is guaranteed for a lifetime not to crack, splinter, chip, peel, or rot.

#### eco-friendly

Breezesta furniture is made from recycled plastic and is recyclable itself. Our purpose is to repurpose.

#### sun guard technology

Backed by a 3-year fade warranty, our poly lumber maintains its rich color with an infusion of specially formulated color pigments and ultraviolet stabilizers and inhibitors.

#### weather resistant

Sun, wind, rain, salt spray—Breezesta withstands the seasons and their elements.

#### low maintenance

No painting, staining, or sealing of the poly is needed. Occasional inspection and cleaning is recommended to keep your furniture looking like new.

## Why Breezesta?

First job. First home. First baby. First promotion or first day of retirement. Life is full of firsts. Some inspire us to celebrate, and some require us to escape. We love to be outside because there's something about a light breeze on our skin and the warm sun on our face that nurtures our need to connect, to the natural world around us, to our families and friends.

Breezesta connects you and your family to the outdoors with beautiful, durable furnishings. From traditional to contemporary, neutral to bold, our furniture styles and colors make it easy to create a comfortable outdoor oasis that reflects your personality and style. And as your life evolves—with kids, weddings, second homes—it's easy to add new pieces to enhance your enjoyment and meet the needs of your lifestyle.

And not only does Breezesta look good, it's good for the environment too. All of our furniture is sustainable, built with poly lumber created from millions of milk jugs that would have otherwise gone to a landfill. Made in America and crafted with attention to detail, it's easy to maintain, and designed to be with you for every season of your life.

## Our Materials

Feel the comfort and stability that comes from quality materials and close attention to detail. Breezesta furniture is made from very dense and durable HDPE poly lumber that is heavier than most competitors' HDPE versions and lower-cost polystyrene material. Our Sure-Lok® joint mortise-and-tenon construction, typically used in fine woodworking, further ensures the furniture's sturdiness.

The lumber surface's unique graining mimics the look of real wood and helps to conceal minor scratches, while other manufacturers' smooth plastic amplifies them. Breezesta poly has multiple advantages over hardwood too: it is easier to maintain and is warranted against cracking, splintering, chipping, peeling, and rotting.

Visually, our color is second to none. Highly-saturated color pigments run throughout the lumber, so there's no worrying about white marks from scratches or nicks! Sun Guard Technology, our proprietary formulation of ultraviolet inhibitors and stabilizers that's mixed in with the color pigment, protects the furniture from fading. We guarantee it for three years! Finally, our color-matched fasteners are so subtle that all you focus on is the rich color and stylish design.

We're proud of our craftsmanship and quality materials, and we stand behind them. All Breezesta furniture comes with a lifetime warranty (see page 63), so you'll be able to relax in style for years to come.

# Captivating Color

Nothing captures your personal style like the perfect color. That’s why Breezesta offers the largest color selection of recycled poly in the industry. Choose from a variety of 20 earthy, tropical, and primary colors—and every one of them “green.”

For 2020, we are pleased to offer two new irresistible colors, Seaglass and Lagoon. Seaglass is soothing, tranquil, and sophisticated, reminiscent of a relaxing spa environment, while Lagoon is mysterious and vibrant, calling to mind a private beach paradise with hypnotic turquoise waters. Both colors are sure to be new favorites!

Breezesta also offers the most extensive mix-and-match color combinations of any outdoor poly furniture manufacturer. Seeking color pairing inspiration? Review our top-selling color combinations below to find one that fits with your vision of your outdoor space.

## How to Order Custom Multi-Color Items\*

## A Sustainable Choice

Purchasing Breezesta furniture is a choice you can feel good about.

Each year, we remove tons of petroleum-based milk jugs and water bottles from America's waste stream and waterways to convert them into sturdy poly lumber at our own recycling plant, Trigon Plastics. Curious to know how many milk jugs go into each piece of furniture? Look for the milk jug icon and number next to each product in this catalog.

Also, Breezesta is what environmentalists call a “full circle” product. It’s not just made from recycled plastic, it’s recyclable itself! Breezesta will last season after season, but if you are ready to recycle it, simply remove the hardware.

This eco-friendly mindset is reflected in everything we do, from our manufacturing process to our marketing materials. We consciously make these sustainable choices so you can have peace of mind about the impact of your purchase.

bottles into our colorful furniture.

# New for 2020 elementz fire & ice

Introducing our new Fire & Ice table, perfect for intimate dining and entertaining in all four seasons. Gaze at the fire on a chilly night, or replace the burner with an ice bowl for chatting with friends around the beverage table all summer long. It's the perfect conversation height for use with any classic Adirondack, the Coastal Upright Adirondack, or one of our deep seating club chairs.

Elementz Fire & Ice Table includes a burner unit, control panel, tempered glass guard, clear, fire-glass beads (10 lbs.), and a premium polyester table cover. The burner can be quickly and easily replaced with a stainless steel beverage cooler, sold separately.

## palm beach collection

Our new Palm Beach Collection offers outdoor entertaining in style. Fashioned with clean, geometric lines and generous proportions, this modular deep seating collection is sturdy, gorgeous, and trendy. Relax by fully reclining, sitting cross-legged, or sinking into the soft pillow back cushions with sling, suspension seating for extra comfort. Add an ottoman to prop your feet up—or simply remove the cushion to create an end table.

Versatile and flexible, the seating and color combinations are endless to suit your style and whim. Whether in the tropics or not, with the Palm Beach Collection, you'll feel like you're always on vacation.

## adirondack collection

An outdoor classic just got better. With one foot in the past and the other in the future, our Adirondack Collection is carefully designed for comfort and durability, using classic proportions and updated silhouettes.

Kick back in one of our Adirondack chairs or rockers. Add a footrest and a drink holder for total relaxation. Toast some marshmallows or toast to a new beginning. No matter where you are, the beach, the woods, or your backyard, you can enjoy that laid-back Adirondack Mountain spirit anytime.

# piedmont collection

Our Piedmont Collection proves that sleek and modern doesn't have to mean uncomfortable. The wider seat and angled back of these chairs ensure maximum comfort, whether you're chatting with friends or cuddling up with a good book.

Strong, dramatic curves and striking stripes created by the slats give this collection its distinct look. Coupled with sturdy arms and legs, the Piedmont Collection is right at home in a wide array of environments.

# avanti collection

Modern style, clean lines, and playful curves—the Avanti Collection brings casual sophistication to your porch or patio. Whether you're sipping your morning coffee or cooking out with friends, the soft curves and gentle recline of these chairs mean you can settle in comfortably for hours.

The Avanti Collection complements any of our tables with style. And apartment dwellers rejoice! Although this collection works anywhere, it is particularly well suited for smaller outdoor spaces like terraces and courtyards.

tête-à-tête

## tête-à-tête

Cozy conversation is a given with our Tête-à-Tête table. This piece attaches easily to any of our chair arms to form a complete seating arrangement. Match the tabletop to your chair color, or select a complementary color, then add an umbrella and base (not included) to create an instant intimate space for two.

Share a snack, share a secret, share a moment. With the Tête-à-Tête, you'll find a reason to celebrate every day!

maintenance

Breezesta poly lumber is durable and virtually maintenance-free. It will never need to be painted or sealed because it will never stain or rot. It cleans up easily with a water hose or with a soft-bristled brush and a mild cleanser. High-pressure washers (with no more than 1,500 psi) can also be used when necessary. Even in harsh outdoor conditions—such as seaside homes where furnishings are exposed to wind, salt, and sand—our furniture needs very little care to maintain its beauty. Just another way Breezesta is made for relaxing.

To learn how to protect your investment, to properly care for the furniture and hardware, and when to use our specially formulated spray bottle products, please access the Care & Maintenance Guide on Breezesta.com.

warranty

Limited Lifetime Warranty

At Breezesta, our objective is to inspire you to customize outdoor spaces and create memories through every season of your life.

Furniture Products

- Breezesta warrants to the original purchaser, not transferable, a limited lifetime warranty for residential use and three (3) years of commercial use from the date of original invoice, under normal use and service conditions, that products shall be free from material and workmanship defects and will not crack, splinter, chip, peel, or rot or suffer structural damage, including from insect infestation.
- Breezesta products are made with UV inhibitors and stabilizers to minimize fading and are warranted not to fade for three (3) years; however, upon sun exposure all colors will fade to some degree over time. To minimize fading, keep product covered or out of direct sunlight when not in use, and use cushions where applicable.

Hardware

- Hardware used in assembly of Breezesta products are warranted not to break for a period of five (5) years of residential use or three (3) years of commercial use.
- Hardware is warranted not to rust or corrode from the effects of weather for two (2) years. Proper maintenance of hardware will reduce weathering effects, particularly in coastal areas. Please see the Care & Maintenance Guide on Breezesta.com for full care and prevention details.
- Mechanical hardware used to create motion, as in swivel, rock, or glide, is warranted for a period of two (2) years against breakage.
- In the event of rust or corrosion, replacement hardware will be provided free of charge.

Cushions

The cushions are not covered under the Breezesta warranty. The cushions will be covered under cushion-supplier warranty, and only residential use is covered. Please reach out to Breezesta or the Breezesta retailer from which you purchased your cushions.

Fire & Ice Table

The fire components used in fire pit tables, including burners, ignitions, electronics, and glass guards, are not covered under the Breezesta warranty. These parts are covered under vendor's OEM warranty. Please reach out to Breezesta or the Breezesta retailer from which you purchased your Fire and Ice table.

Warranty Exclusions

- Assembly or handling of products, including labor and assembly costs, or defects caused by improper assembly.
- The application of paint, varnish, or other coating or chemical not approved by Breezesta.
- The application of heat or radiation from an external source, such as a barbecue grill, another appliance, or fire.
- Color or pattern variances between any new replacement parts or pieces or other pieces. We will occasionally discontinue or modify products and colors. If the original product or color is not available, the warranty replacement will be made at Breezesta's discretion.
- Damage beyond material and workmanship defects, including, but not limited to, negligence, unreasonable use, misuse, physical abuse, vandalism, accidents, acts of God (fire, flooding, hurricane, earthquake, tornado, lightning, ice, etc.), or environmental conditions (mold, mildew, etc.).
- Staining caused by rusted or corroded hardware or foreign substances (such as dirt, grease, oil, etc.) or normal weathering.

Breezesta's liability with respect to the product(s) shall not under any circumstance exceed the purchase price, or that portion of the price allocable to damaged or defective parts or components; thus, the product, part, or component may only be fully replaced one time under the warranty period. Proper maintenance of your product is required to support the benefits of this warranty. This warranty is void in the event of abuse or neglect. This warranty does not apply to normal wear and tear.

For service under this warranty, contact the Breezesta dealer from which you purchased the product. When submitting a claim, you will be required to submit a written description of the defect, along with a photo and proof-of-purchase receipt including the date of purchase. Once documentation has been received and reviewed, if approved, hardware, parts, or product will be shipped to the dealer from which you purchased the product.

#### **durable**

Breezesta poly has the look and feel of authentic wood, but unlike wood, is guaranteed for a lifetime not to crack, splinter, chip, peel, or rot.

#### **eco-friendly**

Breezesta furniture is made from recycled plastic and is recyclable itself. That keeps plastic out of landfills.

#### **sun guard technology**

Backed by a 3-year fade warranty, our poly lumber maintains its rich color with an infusion of specially formulated color pigments and ultraviolet stabilizers and inhibitors.

#### **weather resistant**

Sun, wind, rain, salt spray—Breezesta withstands the seasons and their elements.

#### **low maintenance**

No painting, staining, or sealing of the poly is needed. Occasional inspection and cleaning is recommended to keep your furniture looking like new.
